

CHECKING YOUR PROOF

Please review and check this proof carefully. If there are any corrections or additions required, please indicate clearly. Please pay particular attention to content, colours, logo, size, names, spelling, punctuation and numbers.

Your approval is final. Although every effort has been made to comply with your instructions, full responsibility for errors (other than those that are identified and clearly indicated / marked) will rest with the person signing off this proof.

These items are manufactured to your requirements and are non-returnable if ordered incorrectly or no longer required. Any oversights that require your job to be remade, will be done at your expense.

Please note, this proof is a PDF (Portable Document Format) and PDF proofs do not give exact colour representation and will vary according to individual monitors and printers unless using a Pantone reference.

High quality vector files are required for all artwork. Eagle will apply a charge to create a vector of your logo to ensure they meet the standards of high quality digital production.

PROOF APPROVED

By checking the box and providing an e-signature, this is confirmation that the proof meets 100% with your satisfaction and that you are authorising Eagle to proceed with production of your order. In the event of any errors or omissions which are not picked up by you at the time of proofing, we reserve the right to charge the cost of any corrective action required at normal rates. By e-signing this approval document, you are agreeing to this condition.

PROOF NOT APPROVED

By checking the box and providing an e-signature, this is confirmation that additional changes are required and that this proof does not yet meet with your approval. Please indicate clearly what changes need to be made in an email and send to Eagle. A revised digital proof will then be produced and sent back to you for further review and approval.

Instructions
Find the range containing your Handicap Index in the left column. Play with the Course Handicap in the right column and you will be playing to the correct slope.
Make sure the tees you are playing correspond with the tees this table applies to.
